Trina Vertex S - 415w

Designed with aesthetics in mind.
 Excellent cell colour control by dedicated cell blackening treatment and machine selection.
 Thinner wires that appear all black at a distance.

2x Huawei SUN2000-5KTL-L1 - 5kW

The Huawei SUN-2000-5KTL-L1 inverter makes electricity from your own PV system usable. The component converts direct current into alternating current, and thanks to the high efficiency, users benefit from increased efficiency. Inverter located in the garage, within 6 meters of the switchboard.

☐ LUNA 2000 SMART STRING ENERGY STORAGE SYSTEM - 5kW

The Huawei Luna Smart String Power module offers a modular solution tailored to your needs. With 5 kWh, 10 kWh, or 15 kWh and the ability to expand later, the Luna battery is ideal for responding to changing needs.

Next steps

Upon acceptance we will issue an invoice for a 50% deposit, this allows us to lock in an installation date and order your parts.

Our admin team will be in contact to arrange a time that works for you.

Follow up and warranty

Two weeks after your installation and connection date, one of the WHP's staff may be in touch via phone to check on how your new system is working.

Trina offer a 25 year warranty on all panels.

Huawei offer a 10 Year warranty on inverters.

WHP Solar Ltd also offers a 5-year warranty on our labour.

Payment

Please ensure reference details are stated on your deposit

ASB
WHP GROUP LTD
12-3268-0075058-01

Credit Card Payments are accepted however there is a 3% processing fee.
This fee is generated by Stripe Payments and is not paid to WHP.

Terms

- Please note that for all jobs we require a 50% deposit payment of the full installation price.
- This quotation is based on the panels and inverter being installed in the proposed locations.. Changes in either location may incur an additional fee.
- Unless otherwise discussed final payment must be provided on the day of the installation or at practical completion. All overdue accounts shall be charged interest at 2.5% per month.
- All parts remain property of WHP Solar Ltd until paid for in full.
- Payment is due on or before the date specified on your final invoice.
- Cancellations may incur a 2.5% fee.
- All debt collection costs will be passed on to the purchaser.
- This payment claim is under the Construction Contract Act 2002
